	Omnidirectional antenna with Horizontal polarization for WiFi 2.4 GHz			
DVM10-H360bg	The omnidirectional antenna (2.4 GHz band - 802.11bg) – with horizontal polarization. N (female) panel connector.	10	110 x 680	70,05
Sector antennas & clusters with Horizontal polarization for WiFi 2.4 GHz				
DSM13-H180/1bg	The single sector antenna (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 180° @ -6 dB. N (female) panel connector.	13	110 x 680	56,04
DSM13-H180/2bg	The 2 independent sector antennas in 1 enclosure – cluster - (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 2x 180° @ -6 dB. N (female) 2 panel connectors.	2 x 13	110 x 680	78,47
DSM16-H90/1bg	The single sector antenna (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 90° @ -6 dB. N (female) panel connector.	16	110 x 680	43,48
DSM16-H90/2Abg	The 2 independent sector antennas in 1 enclosure -cluster- (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 2x 90° @ -6 dB, the sectors are placed side-by-side. N (female) 2 panel connectors.	2 x 16	110 x 680	61,64
DSM16-H90/2Bbg	The 2 independent sector antennas in 1 enclosure -cluster- (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 2x 90° @ -6 dB, the sectors are placed at opposite sides. N (female) 2 panel connectors.	2 x 16	110 x 680	61,64
DSM16-H90/3bg	The 3 independent sector antennas in 1 enclosure -cluster- (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 3x 90° @ -6 dB. N (female) 3 panel connectors.	3 x 16	110 x 680	75,66
DSM16-H90/4bg	The 4 independent sector antennas in 1 enclosure -cluster- (2.4 GHz band - 802.11bg) with horizontal polarization, main lobe in horizontal plane 4x 90° @ -6 dB. N (female) 4 panel connectors.	4 x 16	110 x 680	100,90
Accessories				
AT	The antenna accessories – mounting bracket for DVM & DSM antennas			6,99
Typical values of VSWR are 1.2-1.3. Maximum value of VSWR is 1.5:1. The prices do not include the Tax. The prices are to be understood in EUR, EXW (Incoterms). The warranty of the products: 24 months. For our customers we offer a discount which depends on amounts of goods.
